About **IMPACT Now!**

Each June, **IMPACT Now!** brings neighbors from all over Montgomery County together for an evening of networking, insightful conversations, relationship-building activities, and food from local vendors. The powerful event has garnered a reputation within our community for empowering attendees and providing space for positive, collective action.

IMPACT Now! events are rich with diversity and represent all demographics of Montgomery County. For example, 2024 saw over **250 attendees** join us for the evening, comprising Montgomery County Councilmembers, nonprofit donors, community leaders and advocates, and community members from every neighborhood throughout the County.
